Editor's Note

It took a year to assemble the 1977-78 *Muhltohi*. The seasons changed as the staff worked. The colors of nature gave color to their ideas. They experimented with alternate plans to add interest and excitement to the book's appearance.

The staff was well organized and worked hard through falling leaves and freezing cold to put together a book of which they could be proud.

They met deadlines even though the snow fell . . . and fell . . . and fell all winter long. By spring they were sure that this book would be the best.

As its editor, I was sure too. The memories of one year at Muhlenberg High would be perfectly preserved in print. For all of this, I am very grateful.

Homecoming

One more year has passed and Muhlenberg has experienced yet another homecoming weekend. It began a few weeks earlier with the presentation of the ten charming nominees to the student body. A pageant soon followed, climaxed by the crowning of the queen. Friday night brought excitement with an inspiring pep rally and dance. The traditional floats were spotlighted at the Saturday football game and mums could be seen on many lapels. Even though the game was lost, nothing could have dampened the spirits of those touched by this memorable weekend.

"Presenting An Hilarious Comedy"

Class Play

A Woody Allen Original, "Don't Drink the Water" served as this year's Jr.-Sr. class play. The espionage spoof's non-stop humour, and the characters' convincing acting drew numerous laughs from two nights' audiences. The principal roles were filled by seniors Jeff Helm, Jeff Rothenberger, and Bernd Hank, and juniors Chris Hartman, Kay Koch, Vanessa Christman, Heidi Schultz, and Keith Glass. Mr. James Everline can once again be credited for directing another entertaining play.

Muhl Revue

This year's Muhl Revue was held December 9 and 10, a change from the usual spring showings. The thirty-second presentation consisted of a multitude of solos, comedy skits, dances, and just plain nonsense. Jeff Rothenberger and David Hagginbothom added color to the show as Masters of Ceremonies. Highlighting the laughter was a spoof of "The Gong Show" and the "Mr. Sweetheart Contest."

The Muhl Revue has always been an enjoyable experience, and this year's performance was no exception.

The King and I

Lavish oriental costumes, Far Eastern sets, and outstanding performances highlighted the fifth anniversary musical. *The King and I* drew near capacity crowds for its two-night run, and earned the distinction of being praised as "The best musical ever done at Muhlenberg." Under the guidance of director Mr. White and producer Mr. Sandel, the cast rehearsed for months in preparation for opening night. All the hard work was rewarded by a standing ovation at the final curtain, the 1978 musical was something for all of Muhlenberg to be proud of.

"Harvey"

Faculty Play

Every once in a while the tables are turned at Muhlenberg and students get the opportunity to laugh at teachers. Such an event is the faculty play. This year it was the ever hilarious hit comedy, "Harvey."

Instead of teaching English or history, faculty members were seen following one another around in a sanitarium for crazies.

It was a great production and all the teachers involved proved once again that they are talented as well as untiring.

J. Noecker

Although compacting one year of events at Muhlenberg in 208 pages is a very big task, the 1977-78 *Muhltohi* staff, under guidance of Mrs. Schwambach, worked diligently in trying to make this yearbook the best ever. Many changes took place as id sprung into action and the final outcome was put down on paper. There is a lot more to it than meeting deadlines, cropping p tures and writing copy if the memories are to be long lasting ones.

OBSERVER STAFF: *L-R* — V. Pezzino, C. York, K. Folk, N. Wojcieckowski, R. Ramsey, J. Boyle, C. Gotschall, S. Calpino, V. Christman, L. Howells.

OBSERVER EDITORS: *L-R* — D. Graczyk (Sports), D. Ulrich (Feature), M. Glick (Editor-in-Chief), Mr. Everline (Advisor), M. Fishkin (Editorial).

"Observer"

Covering all the events that take place at Muhlenberg is no easy task, but the ambitious reporters on the "Observer" staff go about it whole heartedly. The staff is not hesitant to tell it like it is, as evidenced by the editorial page. Under the guidance of Mr. Everline, the "Observer" shapes up as an informative, entertaining, school newspaper.

AV Crew

The AV crew is perhaps one of the busiest groups at Muhlenberg. Their cameras and mikes can be spotted at every important event held at school. They also present an hour long show, "Live on Tape" every Monday evening. The newly remodeled studio contains the finest equipment available, and enables the members of the AV crew to learn by experience. Mr. Miller, the advisor, has molded a very talented group of camerapersons, broadcasters, and even student program directors into a very capable VTR crew.

Student Council

The big job of trying to represent the opinions of the entire student body falls upon the shoulders of the Student Council. By exchanging ideas with various other student councils in Berks County, the representatives come up with ideas to help improve Muhlenberg. Student Council sponsors the Homecoming activities, and stages several fund raising activities. Members of Student Council are always ready to listen to suggestions, and are not afraid to let school authorities know how they feel. This year members participated in many civic activities including the March of Dimes Walkathon.

Science Club

The Science Club has many responsibilities. Its members care for all the animals and plants that are housed in the science rooms. Their biggest responsibility, and the one they are most noted for is the reptile collection. These eager to learn members are always trying to enlarge the scope of their knowledge, and take trips to various places toward that end.

Photo Club

Capturing events for posterity . . . if a picture is worth a thousand words this group has enough to fill an encyclopedia, Mr. Fabian's budding photographers also learn how to develop their own prints. Although they themselves aren't in the limelight, they certainly put others there.

Two Clubs With Winning Ways

U.N. Club

For those who think that the only important function of the UN club is to run the concession stand, think again. This hard working group has perpetual motion as its password. Whether it is attending a conference, hosting their own conference or organizing a fund raising event, the club puts out a one hundred percent effort. Their dedication pays off shown by their winning ways at various model UN conferences, including the national conference at Georgetown in Washington, D.C. and the many awards at Cleveland University.

Debate Team

Anyone who likes the challenge of an intelligent, logical argument would enjoy being on the debate team. Mr. Weiherer's debators work hard in order to present their cases and win. They compete within Berks County and also travel to several tournaments out of state. The debate team always represents Muhlenberg with a good showing, and carries with it a winning tradition.

Political Science

Learning about our government through participation is hat the Political Science club is all about. The Political Sci- ıce Club takes annual trips to Harrisburg and Washington, ıd also sponsors Youth and Government day to allow stu- ents to better know their government. The club members so participate in local campaigns.

Cheerleading

Always boosting morale and school spirit, the cheerleaders are an important part of any athletic event. Their lively shouts of encouragement never cease until the final buzzer sounds. No matter what the final score, the cheerleaders can be counted on for their support.

With the two squad system, no sport was without the backing of a vocal group of cheerleaders.

The cheerleaders, under the direction of Miss Manwiller, came up with many interesting cheers and routines to excite the partisan Muhlenberg fans.

Pep Club

Helping to lift spirits and bolster morale is the big joy of th
pep club. Cheering the loudest at sporting events and paintin
signs are all part of the duties of pep club members. As long a
the pep club exists, school spirit will be at the maximum.

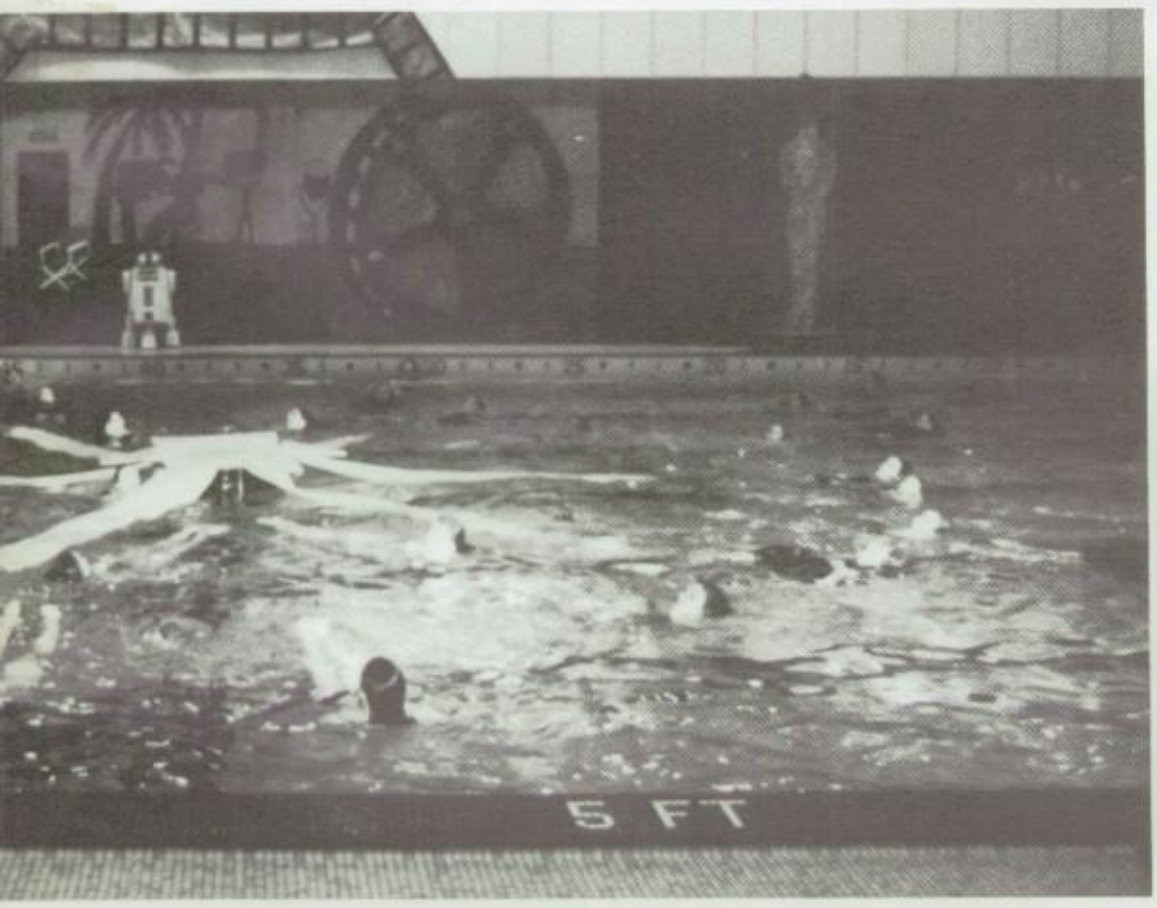
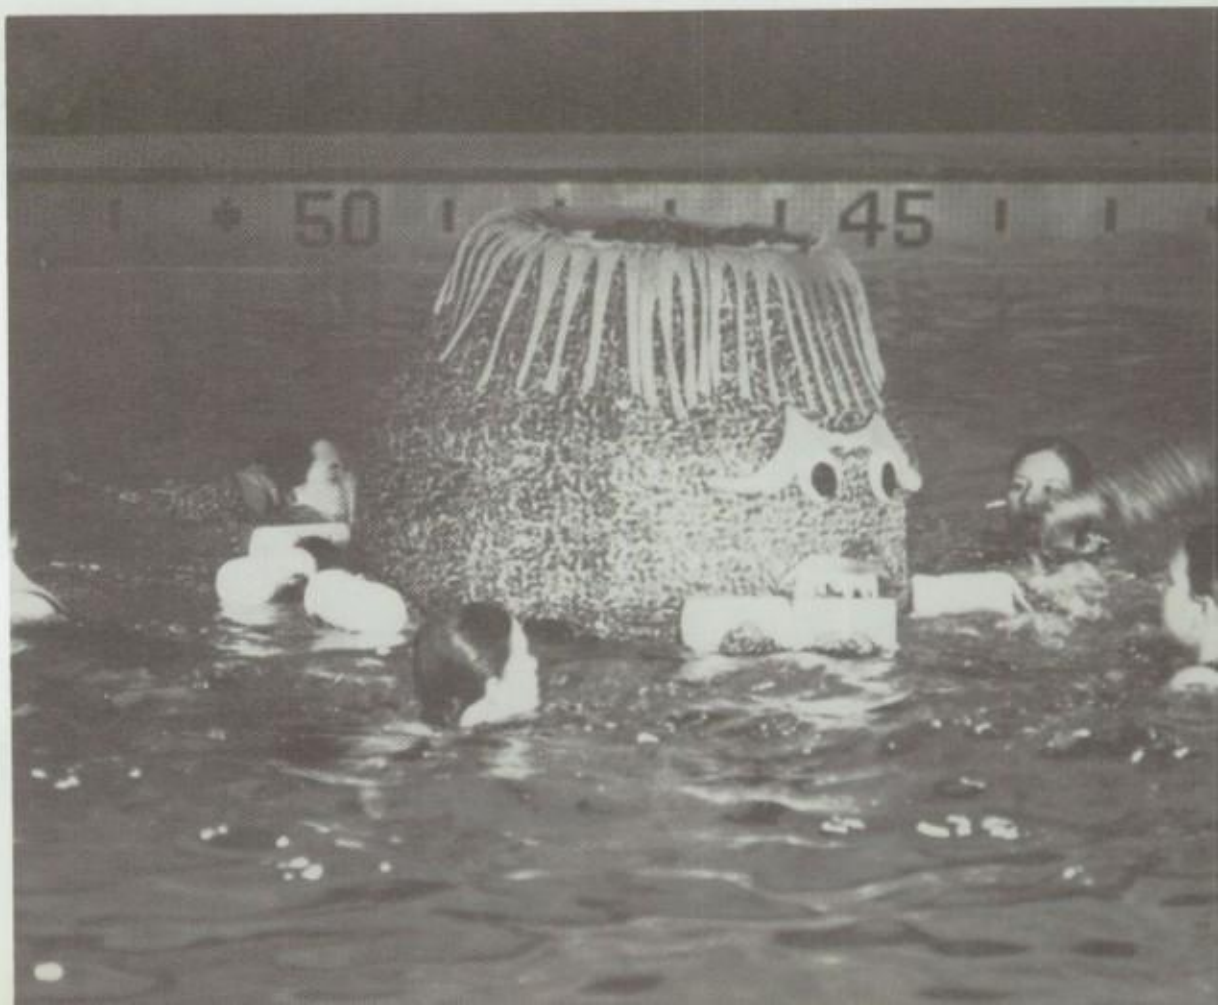
"That's Show Biz"





Water Show

The Muhlenberg Aquatic Club presented their Fourth Annual Water Show and once again it proved successful. "That's Show Biz" was a tribute to the world of entertainment. The conglomeration of skits included comic spoofs of the "Honeymooners", "Three's Company", and the Keystone Kops. Serious numbers included a trio to the song "Dust In The Wind", a diving act to "Live and Let Die", and a boy/girl dance routine to "West Side Story". A colorful finale to "Star Wars" was a pleasure to witness. Mrs. Zimmerman and Mrs. Wingert directed the show, and their work was greatly appreciated by many.

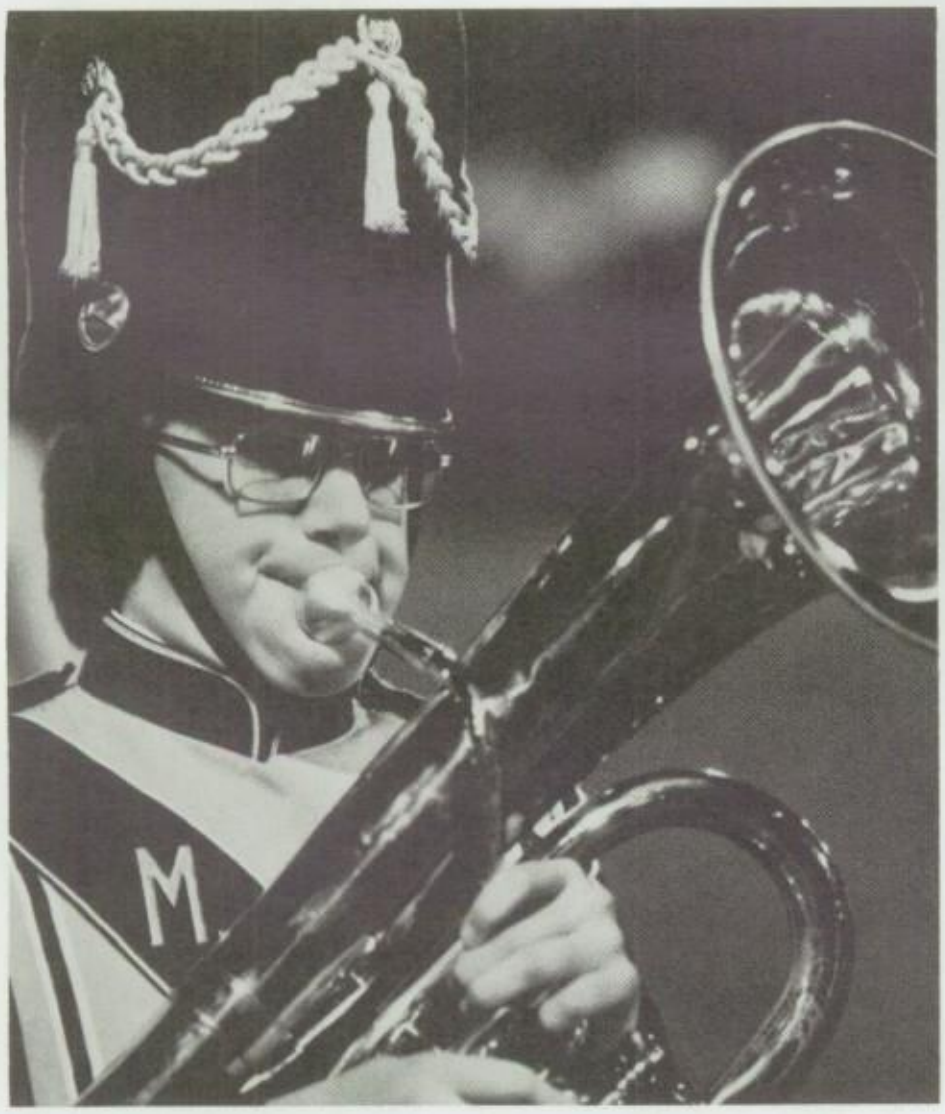
Spring Choral Concert

"The Whiz"



"Eight To The Five"

Blue Band

The Blue Band members of Muhlenberg High began their long serious hours of practice in the heat of the August sun. They learned which foot was their left and which was their right. Mr. Reiniger reminded them repeatedly of running directions and correct counts.

Among the fans, favorite tunes played by the marching musicians were the themes from "Rocky" and "Star Wars." Neither was an easy selection to play and the Band spent many hours practicing them.

In addition to the regular half-time routine, the Blue Band also marched in parades and performed in Concerts.

Super Friday

In a series of seven athletic events held on Friday, June 2, students got a chance to out-do their teachers. The program include a volleyball game, an obstacle course, and a football game. Students also tried their luck at a softball throw, scooter relays and tug of war.

The teachers were as eager to win as the students. Faculty members showed students that they weren't "over the hill" yet.

Add Color To Halftime

Majorettes

The majorettes were another bright spot of the halftime shows or parades. Their flashing batons and high stepping routines kept observers wide-eyed. Keeping in step with the band while trying to control a twirling baton is no easy task, but the majorettes handled it with skill and poise. Ever-smiling and vivacious, the majorettes add spark to the marching unit.

SPORTS

Football

For new head coach Roger Bauer, 1977 proved to be a trying inaugural year. The Muhls suffered through a 0-11 season.

Coach Bauer began to utilize new offensive and defensive formations, including the exciting "shotgun" set, which took time to adjust to, but which definitely brightened future prospects.

Probably the most difficult thing to accept about the 11 losses was the fact that the Muhls hung tough throughout game after game, only to have victory slip away.

1977 did, however, offer several bright spots. As a team, Muhlenberg led the county in passing offense, averaging nearly 100 yards per game. Mike Pizolato hit Scott Calpino with a 76 yard touchdown pass which became a Berks County record.

Looking to the future, Muhlenberg possesses a wealth of talented underclassmen who can only improve with experience. The challenge of 1978 lies ahead.

Cross Country

Cross country is a sport in which success is not always measured in the win-loss column. To a cross country runner, success is pushing your body to the limit of its endurance.

The 1977 Cross Country record does not reflect all the hours of hard work each athlete put in.

There were, as always, individual highlights. Junior Perry Burkert set a new course record.

Female runners were also in the spotlight. Senior Eileen Hornberger captured the County Title in the girls' race, with sophomore Cindy Fabian finishing third.

Girls' Field Hockey

The 1977 girls' field hockey team boasted fifteen senior members, including ten returning starters. The veteran team posted a 7-2-4 record to finish second in Section A.

The Muhls were in the race for the sectional championship until the end. The four ties proved to be the narrow margin by which the girls failed to achieve the sectional title; and with a few breaks on offense, the four ties could easily have been wins.

Once again, Coach Pace was able to produce a winning team that provided many thrills for hockey fans,

The J.V. team finished with a 5-4-4 record; and the young players gained valuable experience for the future. As the season progressed, improvement could be seen in stickwork, passing, and overall team work.

Golf

Even though they had lost nearly all of their top players through graduation, the golf team used a blend of senior and underclass talent to earn a fine 11-4 record. They tied for first in the Northern Division, and were narrowly defeated by Schuylkill Valley in the playoff match.

Inclement weather often interfered with the schedule, but it didn't dampen the abilities of the golfers. Senior Jeff Erney and sophomore Dave Martin qualified for the District Three Tournament.

Coach Millard will have several members of this year's team back next year, so the tradition of quality golf teams here at Muhlenberg seems to be assured.

Girls' Tennis

The girls' tennis team entered the 1977 season with no one figuring them to be contenders. After all, they had only two seniors, and even the seniors didn't have much experience. The experts didn't, however, take into consideration the gritty determination of the youngsters.

Led by a nucleus of sophomores, the netters tied Schuylkill Valley for their division title. They narrowly lost the divisional play-off.

Individual excellence could be seen in each player. Lisa Setticerze, a sophomore, was undefeated throughout sixteen matches. Lisa also teamed up with another sophomore, Gretchen Bybel, to gain the semifinals of the county doubles tournament. With these girls back next year, Coach Hartman can surely look forward to another great season.

Varsity Wrestling

This year's wrestling team turned out its best season record in a long time. The Muhl grapplers even beat Hamburg, last year's Division Champs.

Sparking the Muhls this year were Juniors Mike Sola (112), and Jim Andreas (126) who was 4th in sectionals. Senior, Chris Bisconti, a three year varsity wrestler, came off an earlier football injury to place in sectionals with two consolation wins. Dave DeAngelo (145) was probably the most impressive Muhl wrestler placing first in Sectionals. Other standouts were Rick Gochnauer (138), Greg Glass (167) and Kelly Murphy.

Varsity Basketball

The Cagers of Muhlenberg started the season with high expectations, a flurry of exhibition wins and a brief lead in Section One. then trailed off quickly to finish the regular season with a 14-12 record. Blessed with qucikness, but lacking a true "Big man," the Muhls provided competition for their viewers.

Leading the scoring parade for league action were Jamie Dunkle 242 pts., Mike Fink 345 pts., Mike Kline 276, and Kevin Kolodziezski 299 pts. Mike Botch and Doug Brown contributed greatly with timely points and fine defensive play. Dunkle and Fink also shared rebounding duties where they did an outstanding job.

J.V. Basketball

A rare blend of team depth with height proved successful for Mr. Seip's Jayvees as they posted an 18-5 season.

The fact that playing time was distributed evenly among eight boys showed unusual depth for a Jayvee team.

The Jayvee season, used as preparation for Varsity competition, was successful not only because of the fine record, but because each boy showed improvement.

Girls' J.V. Basketball

This year's JV squad was youthful, including four eager and talented freshmen, Coach Vaughn's girls played well to earn a winning record. GIRLS' SWIMMING

Despite the small number of girls on the team, it was a landmark year for Girls' Swimming. For the first time since a girls' team was formed at MHS, a .500 season was recorded. MHS also saw its first District III champ in Kathy Smith for her fine performance in diving. Other finalists in District III competition were Monica Eddinger, 3rd in diving; Lisa Unger, 6th in the 100 Freestyle; and the 400 Freestyle Relay team of D. Hinkel, C. Lillierose, J. Boyle, and L. Unger, 5th. Another thing that pleased Coach Schaeffer was thinking about next year's team. Many of the talented swimmers on this year's squad were underclassmen, and they'll be back next year with even more experience and determination to win.

BOYS' BOWLING

The Muhls Boys' Varsity Bowling Team enjoyed another successful season, as they romped through their division with the best record in the county.

They defeated Wilson for the county championship in a roll off but later bowed to this same opponent in the county championship roll off.

Numerous county records and school records were set by the team, and there were many outstanding team and individual performances.

The J.V. team also had a fine season with one of its best records.

Winners Of The County Championship

Girls' Bowling

As usual, the girls' varsity bowling team had a superb season. They were able to win their division, as well as have the second-best record in the county. In the championship roll-off, they defeated Wilson, who had only two losses all year. They were ultimately defeated in that championship roll-off by Wilson, the Section One winner. Even though there were many lineup shuffles, the team led the division from start to finish.

The J.V.'s also had a great season with their best ever J.V. record.

A Really Fine Season

Boys' Track

The Boys' track team in a rebuilding season, produced an average record. But this record does not give credit to the drive and devotion the team had. The team started working out in winter, and this dedication paid off for some. The Muhls proudly displayed a county-winning 440 relay team. Many of the point-gainers were underclassmen giving the team a hopeful future.

Hornberger Gets A Fifth Place At State

Girls' Track

Girls' track at Muhlenberg was only in its third year, but it has grown tremendously. Despite a 3-3 record, the team had much to be proud of. Coached by Mrs. Helen Hartman and Mr. John Yocum, the team improved their strategy, but still lost a few heartbreakers. Senior Eileen Hornberger and sophomore Cindy Fabian were the highlights of the team. Eileen broke the County and District records in the 2 mile and Cindy demolished the County record in the 1 mile.

Boys' Tennis

The tennis team was hampered by inclement spring weather, which caused postponements of matches and missed practices. Despite these inconveniences of Mother Nature, the Muhls served and volleyed their way to a five-hundred season. Coach Bauer and the excellent crop of returning underclassmen are looking forward to a banner year next season, and have their fingers crossed hoping for the cooperation from the weather.

Girls' Softball

The girls' softball team continued to improve this year and their record was not indicative of their performances. Most of the games were well played, and the Muhls were in the game to the end. This pattern created many exciting moments on the softball diamond. The girls never gave up, and often staged last inning rallies. With a wealth of underclass talent returning, Coach Usbeck can only be optimistic for the future.

Sophomores

After the initial shock of trying to find our way around a new building, and of getting used to new teachers and classes, we began to feel a bit more at ease. We withstood the close scrutiny of the upperclassmen, and tried our best to fit into the Senior High environment. We were like the first buds of spring, just beginning to blossom.

Juniors

Our junior year was one of learning and growing. We felt comfortable being in the middle. The self-consciousness of our sophomore year was over, and our senior year was still ahead. We took things as they came, yet still planned carefully for our future. The pressure of taking SAT's was endured, while at the same time we enjoyed the Junior Prom. Many good times were still ahead.

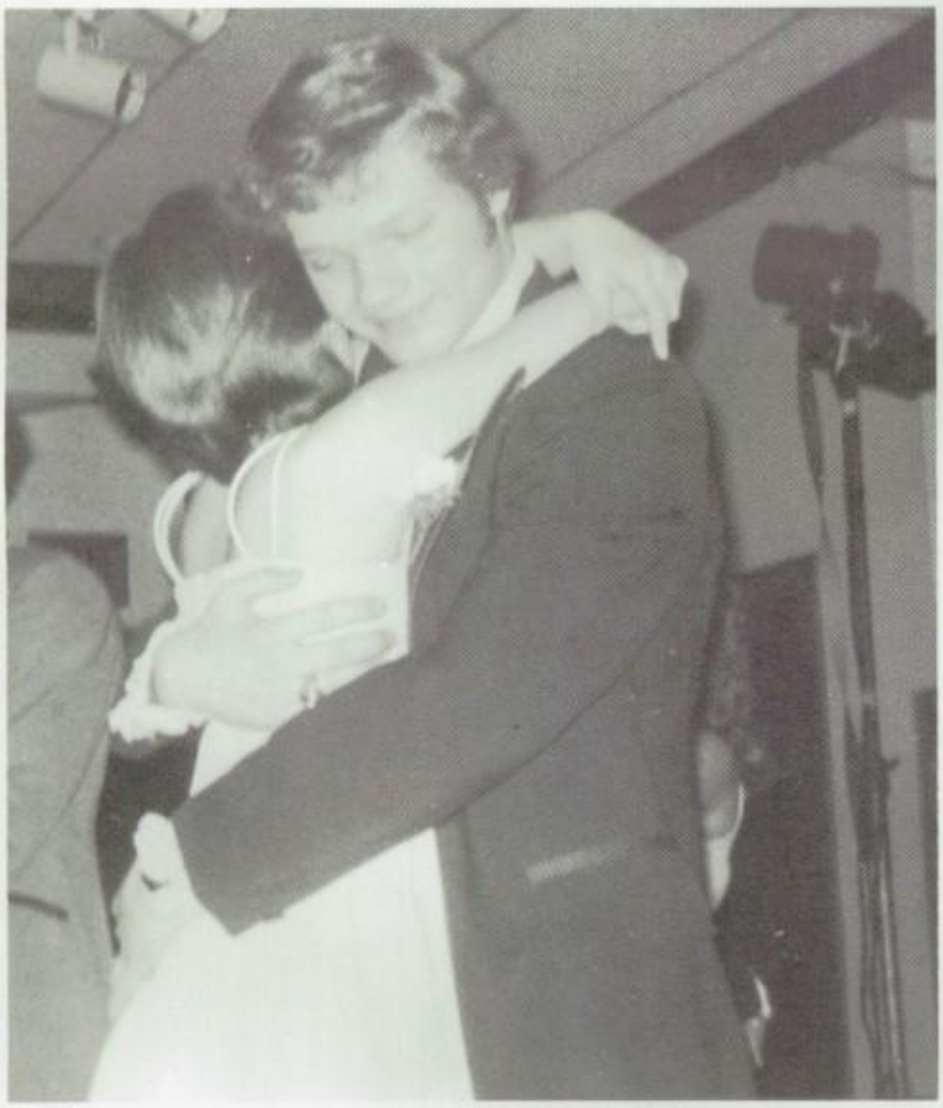
Anxiously Awaiting Next Year

A Scene Of Winter Splendor



Heidelberg In The Snow

Junior Prom

The 1978 Junior Prom, despite interference from Old Man Winter, was held on January 27 at Heidelberg Country Club. Although the snow made road conditions slippery, it highlighted the beauty of the evening. Formal dress provided an air of sophistication, as couples dined elegantly, and danced dreamily to the music of The Voyageurs. In addition to current hits; the Bunny Hop, Sloopy, and the Hokey Pokey provided some lighter moments. Also enjoying the scene were Mr. and Mrs. DeCesare, Mr. and Mrs. Murphy, Mr. and Mrs. Usbeck, Mr. and Mrs. Wilson and class advisor, Mr. Weiherer and his wife. The prom was fun for all who attended and provided many with romantic memories.

National Honor Society

Fifty-one juniors and seniors were inducted into the Muhlenberg High School Chapter of the National Honor Society on Monday, May 22, for their achievements in scholarship, leadership, service and character. The induction banquet was held at Stokesay Castle with over two hundred parents, students, faculty and administration in attendance.

Mrs. Schwambach administered the oath to new members during a candlelight ceremony. Mr. Wollenhaupt, Chapter adviser, explained the procedures for selection of candidates and the functions of the organization.

Congratulatory remarks were delivered by Mr. Murphy, Acting Principal.

Society for Academic Achievement

Seniors excelling in academics and
owing outstanding scholarship are
lected for the Society for Academic
chievement, sponsored by the Lions
lub of Muhlenberg. These selected
udents were recognized for their
forts at the S.A.A. banquet held in
lay.

Senior Prom

The Senior Prom was held at Stokesay Castle on Saturday evening, June 3. Dinner was at 6:00 P.M. and dancing began at 8:00 P.M. Music was provided by "Back Door Frost."

One hundred and fifty-seven couples, dressed in long gowns and tuxedos attended the gala affair.

The Post Prom Party, held at the Berkshire Mall, lasted through early Sunday morning. Las Vegas Night was the featured event. Students danced to disco records, won prizes, and had an auction afterwards. Parents of the graduates served as chaperones.
